

Ionia County 2021 Household Hazardous Waste Collection Sites and Details

Collection Date	Collection Location 8:00 am—noon
April 17, 2021	Ionia 303 S. Jackson St. Ionia, MI With Electronics
May 1, 2021	Portland Portland Fire Dept. 733 E. Grand River Portland, MI
Sept 18, 2021	Ionia 303 S Jackson St. Ionia, MI With Electronics

Please note that we are not taking electronics at Portland.

We will take oil based paint, however most household paint is latex. We do not take Latex paint. Latex is 99.9% water and not considered hazardous. You can disposed of it in your regular trash, but it must be dried out with the top popped off for the trash service to take it. Sand, saw dust, kitty litter are good ways to dry it faster. Or a big piece of cardboard with poured paint to dry in the sun. Other item taken are:

Household Hazardous Waste includes: home dyes, printer cartridges, aerosols, dry & wet cell batteries, dry cleaning agents, household cleaners, elemental mercury, devices containing mercury, pesticides (ant, insect, rodent, repellants), weed killer, pet spray, pet dip, pet collars, wood preservatives, creosote, cutting oil, glues, mineral spirits, naphtha, rust remover, turpentine, fiberglass epoxy, gun cleaning solvents, paint brush cleaners, polyurethane coatings, wood stains, photographic chemicals, artist paints and mediums, pool chemicals, auto fluids (oils, solvents, cleaners, and compressed gas cylinders 2lbs or less, , varnish, stain, oil base paints, paint thinner, stripper, caulk, adhesives, fluorescent light bulbs

Electronics include: TVs, computers, printers, cords, remotes, calculators, power tools, scanners, radios, projectors, copiers, cell phones, toasters, small kitchen appliances.

We will not accept large appliances or those that contain Freon such as air conditioners or refrigerators.

We will charge a \$5 fee per TV due to the weight based cost to recycle. All other accepted items are free to Ionia County residence.
